THE GHOST RIVER INTERVENTIONS

• creating ‘signs’ along the old river
• QR stickers that capture past conversations - “collect” as many as you can find
• monthly event - ghosts of the river appear
• reflect on the culture created by the river
• sparks curiosity and conversation about past
• participatory - leave your own QR graffiti
MECHANISMS FOR INTERVENTION

Use Existing Signage:
- Use the same level of detail.
- Reference events and things from Da-Zhi’s past.

Use UV Paint and Lights:
- Let symbols illuminate at night.
- Use existing lamp posts and safety lighting.

Use QR Codes:
- Reference Da-Zhi’s past.
- Communicate messages used in the past.
TEMPORAL CHANGES OF INTERVENTION

Permanent:
Appropriate Public Infrastructure

Nightly:
Use UV Paint and Blacklights

Momentary:
Collapse Views

DEGREES OF PARTICIPATION

Personal Interaction:
Public is required to use intervention

Unknown Interaction:
