CHAPTER 1. RELATIONSHIPS  
**Why do I feel so lonely?**

When we think of what might have been lost on the way to becoming modern, we're liable to think about mealtimes: how seldom they now take place communally, how rare it is for whole families to gather, how much technology can intrude. In paintings of communal meals that reflect the...

CHAPTER 2. WORK  
**On asking people what they 'do'?**

The world became modern when people who met for the first time shifted from asking each other (as they had always done) where they came from – to asking each other...

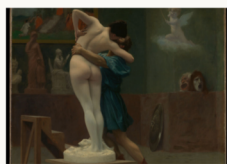

CHAPTER 2. WORK  
**How could a working life be meaningful?**

For most of history, work was not a topic of sustained reflection because it seemed at once so simple, so inevitable and so unpleasant. It was overwhelmingly focused on the provision...

CHAPTER 1. RELATIONSHIPS  
**The Ongoing Complexities of Our Intimate Lives**

In sexual matters, the world became modern in early April 1953, on a beach in Cannes, when the eighteen year old Brigitte Bardot appeared in front of the world's press to...

CHAPTER 1. RELATIONSHIPS  
**Pygmalion and your Love life**

In Book 10 of the Roman poet Ovid's Metamorphoses, we're introduced to one of the world's more curious but telling myths: a Cypriot sculptor called Pygmalion has developed a problem with...

CHAPTER 2. WORK  
**The Difficulties of Work-Life Balance**

In 1907, in Edwardian Britain, a shy hesitant boy was born to a highly disciplined and ambitious family living in Manchester Square in London. His father was a major general and a...

CHAPTER 2. WORK  
**On Living in Democracies**

When modern societies are in the mood to vaunt their advantages, there is one feature they invariably single out and refer to with special reverence: we, at least, live in democracies...

## How can I design my own curriculum?

### Learning to Build Your Curriculum

1. Describe your vision, focus, objectives, and student needs.
2. Identify resources.
3. Develop experiences that meet your objectives.
4. Collect and devise materials.
5. Lock down the specifics of your task.
6. Develop plans, methods, and processes.
7. Create your students' experience.
8. Go!
